The purpose of this prehearing teleconference will be to address the service list, party status, preliminary scope of issues, schedule, categorization and need for hearing. General audience (Listen-Only) attendance for the prehearing conference is as follows:

Friday, June 11, 2021, 1 p.m. - 3 p.m.

Audio Component:

Verizon Telephone Conference Line

Toll-Free: 800-857-1917

Pass code: 7218384#

Preparation for the upcoming prehearing conference will require simultaneous use of both telephone and Webex Events. Any person that intends to speak during the hearings must call in via telephone for audio and log in to Webex Events for video.

1. Audio component of prehearing conference will be via telephone line: A speaker passcode is required for anyone who will be speaking during the prehearing conference. Party representatives on the service list will automatically receive a speaker passcode. If a party representative has not received a passcode and it is less than a week before the prehearing conference, or the party needs to change their representative, please contact the judge by email to get a speaker passcode. Any person who wishes to speak during the prehearing conference, who is not already a party to the proceeding, should request a speaker passcode from the judge prior to the prehearing conference by email, but no later than 5 p.m. on June 4, 2021.
2. Video component of prehearing conference will be via the internet, utilizing Webex Events: Parties, speakers, and court reporters must:
 - (a) Have necessary audio/visual equipment, sufficient power/battery, sufficient connectivity, and onsite support where you are, as needed;
 - (b) Log in to Webex and call in 15 minutes prior to the prehearing conference. All persons logging in to Webex will enter as an attendee. Commission staff will activate visibility for those designated as visible; and
 - (c) Have your video on and remain visible on the screen during the entirety of the prehearing conference.
3. Watch and Listen Only Mode: Non-speaking attendees and members of the public do not appear on the video screen and will be admitted to the Webex in a watch and listen only mode.
4. You can test your broadband connectivity prior to the prehearing conference using mediatest.webex.com.
5. In case of technical difficulty during the prehearing conference, please contact Robert Stanford, Commission IT Staff, at (415) 703-1469.

In order to conduct an efficient prehearing conference, and for the benefit of the court reporter, the following rules will be implemented:

1. Be punctual. Appearances will be taken at the beginning of the prehearing conference ONLY.
2. Do not speak unless called upon to speak. A speaking order will be established based on the appearances, so every party representative will have an opportunity to speak.
3. Speak slowly and clearly for the benefit of the court reporter and for a clear transcript.
4. MUTE your phones when not speaking and refrain from side conversations.
5. When called upon, please address issues in the order listed.
6. Keep your comments concise, on topic, and focused.

IT IS SO RULED.

The Docket Office shall formally file this ruling.
